

Morris Covin & Associates, Inc.

JUDY COVIN, CCPS, CAM

President of Morris Covin & Associates, Inc., a multi-divisional corporation, founded in 1972.

Judy has extensive experience in management, having served as operations manager for JVC America, Houston Branch from 1967 to 1972 and continuing as co-owner of Morris Covin and Associates, Inc.

Judy actively served as a Reserve Criminal Investigative Detective with the Harris County Sheriff's Department from 1977 through 1982 working a cross section of criminal offenses.

Judy has vast experience in investigating White Collar Criminal Activity and Specialized Cases. She is directly involved in Training & Consulting clients in areas of Crime and Loss Prevention, Executive protection, Proper Hiring Procedures, Employment Development Programs and Team Building.

Judy has developed a "*Personal Protection*" program for persons of all ages. The primary scope of concentration for this class is *First*, "Awareness, Prevention and Remaining Safe" and *Second*, "How to react if you are the target of an assailant, whether at *work, home, shopping, traveling* or *jogging*". Far too many cases of Kidnaping, Rape, Serious Bodily Injury or even Death results from a victim not being prepared to react on impulse. This is not a class on Karate or Judo, rather simple responses anyone can learn, remember and perform.

Judy was a Licensed Classroom & Firearms Instructor for the Texas Board of Private Investigators and Private Security Agencies for several years. She has taught numerous security personnel and citizens Firearms Safety and Proficiency. She is currently specializing in training management, executives and their families in firearms proficiency and self protection.

Judy served as a member of a Harris County Grand Jury in 1994 and was Foreman of another Harris County Grand Jury in 1997. She remains active in various Crime Prevention Associations and Law Enforcement Organizations.
